proudly presents to our privileged public

THERMAL SPRINGS IN THE WESTERN UNITED STATES

— or —

GOOD BOOK

THIS IS IT ... THE
BIG ONE!!!!
IT'S THE 1981

NOAA LIST WITH:

- Name
- Topo Map Reference
- and cross-referenced
- Latitude & Longitude
- Temperature

to the Old Good Book for over 1,400 thermal springs
with over 400 personal bathing notes painstakingly

compiled by New Mexico's own
Balneological Boy-Wonder **ERIC
IRVING** himself! This book is
the **LAST WORD** on how to find
and enjoy natural hot springs.
We'll show you *all* the ropes and
the ones to skip. Don't bother to
thank us, we're just doing our job!

The World's
Most Unique Publication

HOT SPRINGS GAZETTE

Limited Editions of 1,000

The **SPRING FEVER** Issue. Yes, Seekers, Leave the
sludge and drudgery of the City behind as you Literally
Float on a Cloud of quintessential endeavor and good
clean fun. It's Back, Back, Back to the Ever-Lovin' Rocky
Mountains with Serious Side Trips to Baja, Mexico and
Ohanapecosh, Washington. And: The Ultimate
Geothermal Map List, A Respectable Hunk of Fiction by
Jake Swartz, How to Read a Topo, Serious Hallucinations,
and IN-DEPTH Coverage of **Conundrum, Colorado.**
Wow!

Satisfaction Guaranteed
The **FOREIGN PLANETS** Issue. At last! At last! Pack
your Space Shuttle, rubber duck and head into
the outer reaches of the Cosmos with Irving's Guide to the
Galaxy. And if skinnydipping with a Wookiee isn't your
idea of a good time, we've stops right here on Mother
Terra. Extensive new researches in the Pacific States:
Shimmering Waters of the Big Sur, Two Big Poems, Hot
Springs Morphology, Hot Springs Doctorate, Meet The Hot
Springs Information Network, Getting Away in
Yellowstone Park, and Guest Editorial (It isn't James
Watt!).

ORDER BOTH

THE HOT SPRINGS GAZETTE

SINCE
1977

*Back again...
Better than ever!*

Each issue offers maps, directions, and downright verbose reviews of forty to fifty NATURAL HOT SPRINGS. Our publication is the *real* item. Actually, it is the *only* item... There are no imitations to be fooled by!

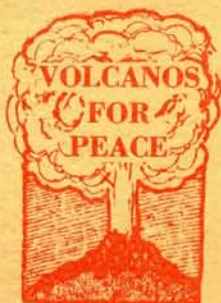

Our articles are typeset and printed with real ink on actual paper. Each issue is saddle-bound for long-term enjoyment and reference and is mailed flat, not rolled.

Besides the Finest Balneological Information Available Each Issue Offers:

- *Lovely Illustrations*
- *Book and Map Reviews*
- *Hydrothermal Fiction*
- *Sheer Geological Poetry*
- *Incisive Editorial Comment*
- *Balneological Calligraphy*
- *True Enlightenment*
- *And More More More!*
